**LongHouse Reserve First Annual  
Call for Student Work  
Deadline: Friday, June 6th**

Dear Educators,

In the past several years, school visits to LongHouse Reserve inspired students to express themselves creatively in both words and images. This is in no small part due to the teachers who have designed exciting activities and assignments that use the visit as a catalyst for student work. The Education Committee of LHR would like to begin to archive the best of these creative efforts.

This year we are planning to launch a publication of student work showcased in the LH Summer Newsletter, published in July. In addition, we will be expanding our web page ( [www.longhouse.org](http://www.longhouse.org), *Growing up with Art*) to publish student video or film clips as well as additional writing, art, music or dance related to their visit.

To assist us in this endeavor, we invite you to select outstanding examples from your students' work this school year. We are looking for both two and three dimensional artwork, poetry, writing, photographs, and any projects that might integrate with math, science or other disciplines. We are also interested in crafts, architectural designs, textiles, films or installation art generated from the students' experiences with LongHouse.

Students whose work is selected for this publication will be honored at a special ceremony at LongHouse, along with their teachers, families and guests. Press will be invited as well.

If you have any questions, please email Selena Rothwell at [brinnr@optonline.net](mailto:brinnr@optonline.net), call LH at 329-3568, or speak with us at our Educators Open House on Wednesday, April 16<sup>th</sup>.

**PLEASE NOTE: Deadline for submissions must be received by  
FRIDAY, JUNE 6<sup>TH</sup>**

We thank you in advance for considering this unique and exciting opportunity to recognize you and your students.

Sincerely,

LHR Education Committee:  
Kathleen Bifulco, Mary Blake, Olivia Brooks, Jayne Clare, Jennifer Cross,  
Elizabeth Skinner, Irene Tully, Judith Wooster, Wendy Van Deusen and  
Selena Rothwell, Chair
