

*LongHouse Reserve Student Annual V*

**Monday, June 11, 2012**

**4-6 pm**

**Rain Date: Tuesday, June 12, 2012**

Dear Colleagues,

It's time to announce and invite your participation in our 2012 *LongHouse Student Annual VI*!

The **purpose** of the Student Annual is to validate outstanding student work inspired by a class visit(s) to LHR during the 2011-12 academic year. Teachers are asked to **submit the best of individual or collaborative work** (small group or whole class) **for recognition**.

**The deadline for submission to our Student Annual is Tuesday, June 5, 2012.**

**All submissions must be entered online at [www.longhouse.org](http://www.longhouse.org) Education (see form)**

**Finalists will be chosen by jury; winners will be notified within that week.**

**Students whose work is selected will be celebrated at a special ceremony** at LHR.

Families, teachers, special guests, school administrators, school boards and press are invited.

All selected work will be curated, exhibited, and taken home at the close of the reception.

- Students' **work** will be **published** as an insert in our LH Summer Newsletter and can also be viewed on our website.
- To view past winning submissions, visit our website: [www.longhouse.org](http://www.longhouse.org) and click on Education. For additional ideas see, *Thinking Outside The Box*.
- Do share past winning submissions with students; they're powerful motivators.

We look forward to your visit(s) to LongHouse and in celebrating the creative efforts of your students. Remember, we're open year-round at no charge - only to educators and their students.

If you have **questions** regarding the Student Annual or if a HS student would like to arrange a return visit to continue his/her on-site work, e-mail Selena: [srothwell@longhouse.org](mailto:srothwell@longhouse.org).

To **schedule** a return class visit, e-mail: [terri@longhouse.org](mailto:terri@longhouse.org) or go directly to our Education page, fill out our School Tour request form and return it either directly on line or by fax: 631.329.4299.

Sincerely,

LHR Education Committee
